- Many international students, You are in Tokyo, excellent for language acquirement, many programs and events, lots of activities, many ways to meet new people. (Summer, 2010)

Weak Points:

- During the first three weeks of this program, students are studying at Hachioji Seminar House, which provides a wonderful atmosphere for getting to know other students in the program; however, it can be difficult to find people to practice your Japanese with, as one is mostly surrounded by other exchange students. (Summer, 2010)
- Level 3 too easy, spent too long in the suburbs. (Summer, 2010)
- I wish that the courses that were taught in English were more challenging. (Summer, 2010)
